FINDING WAYS TO TALK TO, AND KEEP OUR CHILDREN SAFE AROUND DRUG AND ALCOHOL ISSUES - From Intereach

Partying and drugs can strike fear into the hearts of any parent. Drugs, alcohol and binge drinking are scary topics to talk to our children about – so how do you do it in a way that doesn’t make your kids say “whatever – what would you know?”

For the information of members
North’s Easter Hat Parade
From Miss Wing

Get your thinking caps on! We will be holding an Easter hat parade on Friday the 11th of April after lunch, beginning at 2.00pm. Children can be as creative as they want to be in designing their hats!

There will be prizes for hats in the following categories:

- Tallest hat.
- Smallest hat.
- Most colourful hat.
- Most creative hat.
- Best “own creation”.

Children are to make their hats at home, and may bring them to school on the day.

Children in years 5 and 6 (only!!) may colour their hair instead for that day, and may have “crazy” hair that day. If children bring hair spray cans to school, they are to give them to their teacher in the morning. There will be prizes for what children do to decorate their hair as well. These will be in the categories of

- Most colourful hair.
- Most creative hair.
- Biggest hair.

Prizes will be awarded and parents, carers and family members are invited to come along!

CONARGO MOTHERS’ DAY MARKET—Sunday, May 11
We are after volunteers to help the usual crew! This has been a great fundraiser for the school in the past years, so if you can help to lighten the load, please let me know.

CHOCOLATE FUNDRAISER
A reminder that monies are due by the end of this week. There are still 8 boxes left, if anyone would like to grab another. Please contact the school if you can help out.

Stewart House Donation Drive 2014
Please see attached an envelope for those that are able to support this very worthwhile charity.
Stewart House is an educational holiday camp, situated in Sydney that provides a ‘working holiday’ for students from remote areas, such as Deni.
Envelopes, with donations included, need to be returned by Friday, May 16.

North Cricketers Knocked Out
The Northies bit the dust in their state knockout match last week against Hay Public. Although soundly beaten by a better team, the side showed great spirit and in typical North style fought to the very end.
Coach Hoges was very impressed with the improvement shown by his raw recruits in a short space of time and rewarded the boys with a well earned sundae, even though it wasn’t Sunday.
Bowling first, the Northies contained the rampant Hay side to 136 with Adrian Mulham the chief destroyer taking 2-15 and Ryan Borella-Holschier also snaring 1-19. The team’s young guns, Tom Cochrane and Tom McCallum bowled well and without luck and Tama Ropiha was easily the most economical bowler with figures of 0-8 from 3 overs. Duncan Hughes backed up some handy bowling by taking 2 catches in the gully. The North run chase began shakily under an onslaught from the speedy Hay openers, and at 6-9 things looked grim. Hughes and Mulham tried to steady the ship, but sadly it hit an iceberg and at 28 all out, sank without trace.
As they often say in sporting circles—there’s always next year.

RED DAY—This Friday
Each year, the school holds a small fundraiser to assist one of the great organisations—the RED CROSS. North’s RED DAY will be this Friday and students can support this wonderful cause by bringing along a GOLD coin donation.
The above posters were designed and created by Steph Vickery, Emma McCallum and Cody Learmonth as part of their technology learning. The topic was: ‘design a poster about some means of transport’.

Posters, just like this cool one, were created by 1/2W in Science.
The following ideas came from the clever kids in KW and are based on their Science units.

**A HOT and COLD WEEK**

On Monday it is freezing. I slide down an ice hill and into the water. I decorate a snowman with little stars, flowers, some sticks for its arms, a carrot for its nose and some jewellery.

On Tuesday it is cold. I go out and play in the rain with my raincoat and some gumboots on.

On Wednesday it is cool. I play inside with a pretend puppy and read a book on my bed.

On Thursday it is warm. I play with my pup outside in the garden.

On Friday it is hot. I stay inside and watch a movie. I go swimming in a swimming pool. I draw a rainbow with Mr Hogan under it.

On Saturday it is very hot. I stay inside and turn the air con on and have a little nap. I play the play-station with my friends.

On Sunday it is windy. I play hide and seek but I don’t go near the trees because they might fall over. I play with my kite.

**HOW ANIMALS COMMUNICATE**

When my dog is hungry it barks and knocks on the door.

If my dog is inside it barks to get out to the food.

When my dog is hungry it wags its tail.

My dog yawns when it is sleepy and I give it a pillow.

My dog jumps on me when it is angry.

My dog attacks me and bites me when it is angry.

When my cat wants to watch a movie it comes and sits on my lap.

When my cat wants a hug it scratches me.

My cat scratches me when it is angry.

I whistle and my pet dinosaur whistles back.

My hippopotamus jumps on my head because it wants to jump on a trampoline, but the trampoline is broken.
