**STUDENT SEMESTER 2 REPORTING**

To get the ball rolling with the school reporting process, parents and carers will receive their invitation this week, to attend an interview in the last 2 weeks of school term. This invitation will be sent home by your classroom teacher and will include all possible times that your child's teacher is available for interviews.

At the bottom of the invitation is a return slip where each parent/carer can indicate the time/s that they would like for the interview.

Your child's teacher will reply to this request by sending home a further 'confirmation' slip, indicating your appointment time and date.

Reports themselves, will be sent home on Thursday, June 12.

**Under 7s Athletics Carnival**

Please note that this carnival has been rescheduled for Term 3. The date will be announced early next term.

**Nationally consistent collection of data on school students with disability and/or learning adjustments – 2014**

Our school is participating in the collection of nationally consistent data on school students with disability/adjustments.

We will be collecting information already available in the school about the support that is being provided to students with disability/adjustments. Better data will help the Government plan for these students.

The data collection will have no direct impact on your child and they will not be involved in any testing process.

The NSW Department of Education and Communities will provide data to the Australian Government from all NSW public schools in such a way that no individual student or school will be able to be identified. In this way, we will ensure the privacy and confidentiality of all students.

A win to the Monsters failed to topple Bunnies from top spot.
The Northies came away with mixed results at the Gala Day last Friday. In their first match the side edged out Small Schools 16-9, but against a very strong South outfit went down 16-4. The Southerners have now qualified for the next round of the competition.

In a friendly match to finish the day, North played Jerryberryou—a team comprising students from Jerilderie, Berrigan, Oaklands and Urana and squeaked home in a thriller, 11-9.

Team coach, Miss Smith was happy with the team’s performance, saying, “all girls played well with good cooperation, sportsmanship and excellent encouragement of one another.”

She singled out Ellie Fishlock as the most improved player.

Against South, Eloise Ritchie and Tess Hunter were kept busy and did well in defence.

At Centre, Zoe Metcalfe was very consistent. The shooting award went to Lillie Harford. Jess Smith scored her first goal ever in the last match.

Our thanks yet again to Miss Smith for her organisation and involvement, and to those parents and carers that were able to lend a hand with transport and support.

**DPSSA Athletics Carnival**

The North Lightning Bolts athletic squad will compete at the DPSSA carnival at Rams Oval on Friday, June 6. Events start at 9:30am. A canteen will be running on the day and students are to wear North sports uniform.

All qualifiers have received permission notes for the big event and require a $2 levy, payable on the day.

Multicultural Public Speaking Competition
From: Megan Hunter
Public Speaking Co-ordinator
Over the last term and a half, a number of students have been undertaking public speaking workshops during lunch times. They have developed their oral presentation skills and their ability to speak on an impromptu topic. During this time they have also written a prepared speech reflecting a multicultural aspect.
Selection trials were held on Monday and in an incredibly closely contested event (2 points separated the top 6 speakers in Stage 3) the following students have been selected to represent the school at the upcoming trials:
Stage 3: Lillie Harford (unable to attend), Tess Hunter and Emma McCallum
Stage 2: Charlie Dudley and Hannah Dunmore
These students will attend the Riverina local final of the Multicultural Public Speaking Competition to be held in Corowa on Friday 13th June 2014. The reserves are: Zoe Metcalfe and Chloe Paton.
All children vying for selection competed with confidence and skill and should be commended not only on their excellent performances but also on their commitment to extending themselves and attempting challenging experiences.

Can You Help?
The Breakfast Program is in full swing but stocks are running dry. If you can assist with a donation of the following items, it would be greatly appreciated:
